Bring a **mask** from home and wear it before you enter the office.

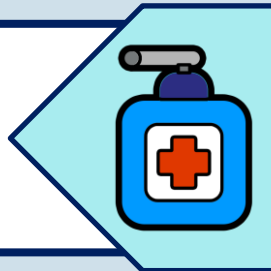

**Brush and floss at home.** Tooth brushing stations are closed. Please use the washroom at home.

To maintain **physical distancing** patients will exit through the rear door.

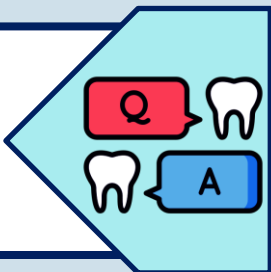

**Your car is the new waiting room.** The waiting room is closed. **Please call us** when you arrive.

Please use **hand sanitizer** when you enter and leave the office.

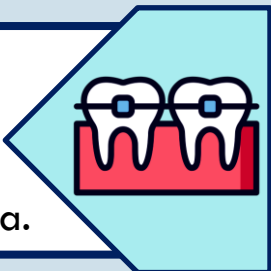

We will ask you to gargle with a **preventative mouth rinse.**

**Screening questions** will be asked when your appointment is confirmed and upon arrival.

Please **be patient** as we implement these new protocols to keep everyone safe and healthy.

**Only patients** (or for younger patients, one additional adult) will be permitted into the clinic area.

Please **reschedule** if you or anyone in your household has been sick in the last 2 weeks.
